## Atrium on 1<sup>st</sup> Floor

0900-1100      Mission Planning Demos

1400-1600      Mission Planning Demos

- Respond to RFI by 23 Dec (not 22 Dec)
- Respond to Sources Sought Synopsis by 10 Jan 03
- All future contact with Industry will be funneled through the PCO (Barbara Lawrence - barbara.lawrence@hanscom.af.mil)
- All future Gov't information will be posted on the Hanscom Electronic Resource Bulletin Board (HERBB)  
[https://herbb.hanscom.af.mil/esc\\_opps.asp?rfp=R476](https://herbb.hanscom.af.mil/esc_opps.asp?rfp=R476)

# Industry Day Purpose

- To disseminate Gov't intentions and expectations to potential contractors participating in a competitive, best value acquisition for a Mission Planning Systems Engineering and Integration Contractor (SEIC)
- Help us formulate an appropriate acquisition strategy for our program

**This is not a Request for Proposal or Invitation for Bids**

# Questions for Today

---

- All questions from Industry must be captured on Question sheets
- We may answer the quick questions at the end of each briefing
- We will capture all Q&As and post on HERBB by the end of the week
